

HYGIENE FIRE PROTECTION DISTRICT

PROPOSED MILL LEVY INCREASE BENEFITS

- Continue to provide critical training and emergency services, and maintain our impressive 911 response times.
- Provide firefighters with essential safety gear and communications equipment, such as air packs and radios.
- Repair and replace aging emergency response vehicles, apparatus, and equipment.
- Extend the useful life of the fire station, and providing living quarters for volunteers while they are on duty.
- In the wake of the Calwood Fire, HFPD hopes to ready our community and volunteers for the next major wildland fire in our district.

Join us October 23rd, 2021 from 1 pm to 3 pm at the Hygiene Fire Station for an open house! Get your questions answered, meet your local heros, and enjoy some refreshments!
